Answer key

1. **mandible**

The ant gripped the crumb firmly between its powerful mandible and carried it back to the nest.

2. **obedience**

The dog's obedience training paid off when it sat instantly at its owner's command.

3. **iridescent**

Oil spilled on the wet road formed an iridescent film that shimmered purple and green in the sunlight.

4. **reign**

Queen Victoria's reign lasted over sixty years.

5. **climatic**

Rising sea levels are one of the most visible climatic effects of global warming.

6. **debris**

Workers spent weeks clearing debris from the collapsed building site.

7. **sufficient**

There was sufficient food left over to feed the whole family for another two days.

8. **embarrassed**

He was embarrassed when he realised he'd been wearing his shirt inside out all day.

9. **gynaecology**

After years of study, she specialised in gynaecology and opened a clinic for women's health.

10. **misogyny**

The essay examined how misogyny appeared in advertising throughout the twentieth century.

11. **separate**

The twins insisted on having separate bedrooms as soon as they were old enough.

12. **precise**

The surgeon's precise incision left barely a scar.

13. **molten**

Molten lava crept slowly down the volcano's slope, glowing red against the night sky.

14. **brevity**

The judges praised the brevity of her speech after enduring hours of rambling entries.

15. **fuchsia**

She dyed the ends of her hair a bright fuchsia for the festival.

16. **reminiscent**

The smell of fresh bread was reminiscent of Sunday mornings at his grandmother's house.

17. **occasionally**

We occasionally walk to school instead of catching the bus, usually when the weather is nice.

18. **intrigue**

Rumours of hidden treasure added a sense of intrigue to the abandoned mansion.

19. **rancour**

Years after the divorce, there was still rancour between the two families.

20. **stationery**

She bought new stationery, including a notebook and a set of coloured pens, before the school term started.
