Answer key

21. **obsessive**

Her obsessive attention to detail meant she checked the essay for errors a dozen times.

22. **purest**

The spring at the mountain's base produced the purest water in the region.

23. **observation**

Her observation that the tide was rising faster than usual turned out to be correct.

24. **misconstrue**

She worried her joke would be misconstrued as a genuine insult, so she quickly explained herself.

25. **wraith**

According to local legend, a wraith wandered the old battlefield at midnight.

26. **notoriety**

The escaped prisoner gained notoriety after his face appeared on news broadcasts nationwide.

27. **rigorous**

The medication underwent rigorous testing before it was approved for public use.

28. **temporary**

The bridge closure was only temporary while repairs were carried out.

29. **litigious**

The company gained a reputation for being litigious after suing three suppliers in one year.

30. **gauge**

The pilot checked the fuel gauge twice before deciding they had enough to reach the airport.

31. **brusque**

The nurse's brusque tone made the frightened patient feel even more anxious.

32. **manoeuvre**

The truck driver had to manoeuvre carefully to reverse the trailer into the narrow loading dock.

33. **incorporate**

The architect agreed to incorporate solar panels into the final design of the house.

34. **obnoxious**

His obnoxious comments about other people's cooking made him unwelcome at family dinners.

35. **acquire**

The company hoped to acquire the smaller start-up before its rivals did.

36. **redemption**

After years of poor decisions, the championship win felt like redemption for the whole team.

37. **incompetent**

The new intern was so incompetent at filing that important documents kept going missing.

38. **wondrous**

The aurora painted a wondrous display of green and violet across the night sky.

39. **dungeon**

The prisoners were kept chained in the castle's damp dungeon.

40. **waive**

The university agreed to waive the application fee for students facing financial hardship.
